

NAKPEHE OFFICER/COMMITTEE REPORT  
**AAHPERD Board Meeting-January 2006**

Report # **7.09**

Name of Office/Committee: **Social Justice/Cultural Diversity**

Person Submitting Report: **Anna Marie Frank**

Progress Report/Tasks Completed:

The committee met at the January 2006 NAKPEHE conference and discussed ongoing and proposed future activities for the 2006 fiscal year.

- The SJCD Membership Survey Project was completed in October, findings were presented at the January 2006 Administrator's Pre-Conference, and the manuscript of the survey findings was written collectively by the committee and submitted to the *Chronicle of Kinesiology and Physical Education in Higher Education* for consideration. It was accepted and will appear in the Political Window of the May issue.
- An additional manuscript was prepared by members of the committee for submission to *QUEST*. The manuscript was conditionally accepted for publication and should appear in 2007.
- Clarification of membership is continuing. As Anna Marie Frank will be finishing her term as Chair, Dr. Sam Hodge has already agreed to Chair the committee beginning January 2007. Two new members were added to the committee, which presents a problem with the number of individuals on the committee as well as member selection.

Suggestions for Future Plans Related to this Office/Committee

- In April 2006 at the AAHPERD conference members met and agreed to provide the NAKPEHE administration with a diversity plan. This plan will be based on existing plans from IUPUI, Ohio State and DePaul University. We would like to submit a draft for consideration by April 2007.

Action Required by Board: Questions regarding membership on the SJCD committee need to be discussed by the board. *I move that the membership of the SJCD committee of NAKPEHE be increased to up to seven members. Members are appointed by the NAKPEHE president and Chair of the SJCD committee. The term of membership would be three years with unlimited reappointment, at the discretion of the NAKPEHE President and Chair of the SJCD committee.*

Budget Implications: none
