

**NAKPEHE Doctoral Student Award
Joanna Davenport Poster Presentation Award
Doctoral Students**

To: All Doctoral Granting Institutions

The National Association for Kinesiology and Physical Education in Higher Education (NAKPEHE) would like to invite doctoral students to submit poster presentations for the 2009 conference in Sarasota, Florida. The conference will provide the doctoral students with a wide array of sessions to attend that will have greater meaning as they prepare to enter the higher education employment arena. This year there will be a special opportunity for doctoral students to participate in the conference. All doctoral students will be offered the opportunity to participate in a committee reviewed doctoral student poster presentation session. The poster presentations will be available for viewing during a 4 hour period at the conference. A Review Committee will select one doctoral student poster to receive the Joanna Davenport Poster Presentation Award, and the presenter will be awarded a monetary prize and a free membership in NAKPEHE for the coming year. The Joanna Davenport Poster Presentation Award will be presented at a special reception following the Delphine Hanna Lecture.

In addition to this session, we hope there will be time for doctoral students to meet together in a less formal setting to discuss their common concerns. Our hope is to establish a connection between similar doctoral programs (and their students) and thereby establish a mechanism for communication between students with similar or supportive research directions. The structure and philosophical direction of the NAKPEHE organization offers a positive interdisciplinary theme that encourages sharing within and across specialty areas; and welcomes new ideas and insights from differing perspectives. Included in the conference schedule are numerous social opportunities for the doctoral students to interact with the NAKPEHE members.

If you have any specific questions related to doctoral student involvement, please feel free to contact me directly (Leah.Fiorentino@armstrong.edu or phone 912-921-5884). If you would like specific conference information, please contact Dr. Sam Hodge (hodge.14@osu.edu, or by phone 614-292-8364), or visit the NAKPEHE web site (www.nakpehe.org).

We hope to see you in Florida!

Leah Holland Fiorentino, Ed.D.
Joanna Davenport Poster Presentation Award, Chair

NAKPEHE Joanna Davenport Doctoral Student Poster Session

Call for Proposals

A call for proposals is made each spring by the National Association for Kinesiology and Physical Education in Higher Education. The NAKPEHE Joanna Davenport Doctoral Student Poster Session provides an opportunity for entry-level members of the higher education profession to present posters focusing specifically on physical education and kinesiology.

Topics: Original, unpublished research (current or recently completed) poster presentations and reports.

Selection Criteria:

1. Candidates must be current doctoral students, or have completed their degree after January 1, 2008.
2. Selection of posters for inclusion in the poster session will be made on the submitted proposals (on the basis of scholarly content, organization, and pertinence to the field of physical education and kinesiology).
3. Once a proposal has been selected for inclusion in the poster session, the poster should be organized within the constraints of a 5' by 6' area.
4. Poster presenters will have one (1) hour prior to viewing to set their posters in the appropriate room.
5. The posters will be displayed for 4 hours prior to the Delphine Hanna Reception. During this time, a committee will review the posters and select one poster to receive the award.
6. All doctoral students must be present with their posters in the viewing area during the reception. The Joanna Davenport Poster Presentation Award will be presented during the reception.

Awards:

1. A maximum of twelve (12) poster proposals will be selected for presentation at the annual conference.
2. One \$250.00 award will be presented during the Delphine Hanna Reception to the selected doctoral student.
3. The selected doctoral student will also receive one year free membership in NAKPEHE (including *Quest* and *The Chronicle of Kinesiology and Physical Education in Higher Education* subscriptions).

Submit Proposals To:

Dr. Leah Holland Fiorentino, Chair Joanna Davenport Poster Presentation Award
Dean's Office/College of Education
Armstrong Atlantic State University
11935 Abercorn Street
Savannah, GA 31419-1997
Phone: 912-921-5884
E-mail: Leah.Fiorentino@armstrong.edu

Deadline for Submitting Proposals:

September 1, 2008 (Acceptance and Notification by October 15, 2008)

Presentation Date and Location:

January 2009 NAKPEHE Conference – Sarasota, Florida
